## **SPEED, A BRACELET WHICH LOOKS LIKE A WATCH**

The new GTO “watches and accessories” brand match subtly and originaly with practicality of a watch and elegance of a jewel to create the Speed bracelet.

### **SPEED: THE «WATCH BRACELET» REVISITED BY GTO**

Speed bracelet, developed by the new GTO “watches and accessories” brand, is provided with a closure buckle usually reserved for watches, which positions itself as a fashion accessory. Its adjustable buckle allows it to adapt on any morphologies (thin, medium or stronger wrists) through seven adjustment clicks.

Speed leather strap bracelet is enhanced by a GTO buckle at the brand image. It is available in three different colors such as yellowgold, rosegold and silver.

### **CHOOSE THE SPEED BRACELET AND STAY IN THE RACE**

Speed leather strap bracelet is a comfortable material becoming a second skin for the purchaser of this unique jewel, thanks to its lightness and flexibility that surround perfectly the wrist.

For men and women, Speed bracelet is more dedicated to fashion accessories enthusiasts, who can match it as well with a sober look as trend.

### **A NEW BRAND BETWEEN PASSION AND TRADITION**

GTO is the watch-making division of Flip Technology group, specialist of mandatory on-board instrumentation for more than 30 years.

Born of the union of Philippe Gaso’s passions, its founder, the racing cars and technical watches, GTO brand proposes a complete collection of watches and accessories inspired by a line of legendary cars for the pleasure of all.
