MONZA BRACELET, THE TREND TRIPLE WRAP JEWEL

Monza bracelet, model of the new GTO accessories range, gave the tendency with a wrist triple wraps jewel both chic and fashion.

MONZA FOR EVERYONE

This new **Monza bracelet** was carefully thought by GTO's designers to perfectly fit the wrist.

Thanks to a very diversified color range (eleven models), the **Monza bracelet** becomes identified as a fashion accessory which will match all clothes.

The **Monza bracelet** is available in four different sizes (M / L / XL) and allows to adapt itself to all morphologies.

For the clasp, the brand proposes an original system of jewel representing the **GTO logo** in different colors : yellowgold, rosegold and steel, to marry according to desires.

Decorated with its **GTO** buckle, the leather bracelet will seduce as well smart and fashionistas people, with a comfort and a perfect wrist-holding.

A BRAND BETWEEN PASSION AND TRADITION

Philippe Gaso motorsport enthusiast and expert for over 30 years in instrumentation regulatory board with Flip Technology Group is the founder of **GTO** brand "**watches and accessories**".

GTO brand "**Watches and accessories**" born of the passions of its founder was inspired by a line of the most beautiful cars for mixture together with efficiency, tradition and passion of its founder.
